5. Applications

2. Reprocessing feedback round

- Both positive and negative points were collected
- Appreciative interaction, high motivation, good handling of the corona situation
- What can be improved? There is not much room for content discussions, we should think about other formats
- During discussions: formulate criticism and content points better
- Organize Youtube channel, announce events more clearly
- Communicate personal criticism in advance, always constructive
- Workload is too high, especially PR effort is too high
- Try to keep reports short
- Communication via telegram: rethink what you share

3. New management project: introduction of election software

- The university wants to introduce a new election software, there is an AK for that

6. Reports/Project presentations (voluntary)

Die kleine Weltbühne

- Podcast for december should be ready, there is already a rough direction for the podcast for january and february

FZS

- Meeting of political education committee, focus: never again (series of events that FZS organizes every year that is directed against fascist and authoritarian tendencies)

- This year the topic is ideology of the middle, especially main focus on anti communism in the FRG after 1945
- There will be a campaign around the 30th of January

Sustainability unit

- Meeting of the steering group Fairtrade university

Unit for external university policy

- Organize a lecture on the critique of inclusion with the Ö-Ref

Department for antidiscrimination and political education

- Various contacts made for possible event on the topic of antiziganism (special form of racism against Sinti and Roma)
- With Kira we organized an event about classism in university life

Department for social affairs and internal university policy

- Took care of the re-registration loans, overall there were less applications than usual because many apply for the bridging assistance first

Board of directors

- The general assembly of the autonomous gay department took place
- Elections were held

7. Finance (internal)

7.1.board: podcast

- Maximilian is working less now, for the technical support we would like to approve a compensation of 400 Euros, in the long run a project position should be created
- question of data protection when query usage figures
- Ö-Ref will talk to Mathias beforehand how they handle the survey

Vote podcast technical support and follow-up: **8 – 0 – 3 accepted**

7.2.Unit for anti discrimination and political education: seminar „African achievements“

- Event is about what African people have actually achieved in terms of the world
- If you look at science, medicine, politics and other issues, Africa has achieved a lot and gained influence in various areas
- Speaker: Dr. Keith Hamaimbo
- On January 15th

Vote African achievements: **12 – 0 – 0 accepted**

End of the meeting: 12.52 pm
